Worldwide availability

Excellent availability and service worldwide. These aftermarket PCP's are available at Hatraco and through their worldwide dealer network.

Extended lifetime

Up to 70% better lifetime** can be achieved with Hatraco drop-in replacement PCP's. Save on maintenance costs and downtime with our PCP's for MTU® 4000 series.

Safety

Save operations for your engines. Unique housing and 'Hot-Lock'-design on our 18.025-01 PCP prevents a release of ceramic. No need for long metal barrels.

* Results based on field experience

**Lifetime of the product depends on operating condition and engine version.

Replaceable and cost-effective Hatraco® spark plug extensions with the Hatraco PCP's

We have specially designed matching Hatraco® Spark plug cables for the above mentioned applications. Our unique PCP's and matching Hatraco® leads are durable, cost-effective and easy replaceable compared to the long extended barrel.

Hatraco® HT leads:

- No need for minimum quantities
- 2 week shipment after receiving your P/O
- Up to 4 times the lifetime of well-known barrel plugs *
- Custom designed and produced in-house
- Free company logo on your Hatraco HT leads

*lifetime depends on operating conditions.
